IDEAS & INSPIRATION

2019

Why Chelsea? Because it was designed by our end-user customers to be the perfect combination of comfort, flexibility, modularity, durability and simplicity. With more than 12 different modules that can be linked together into an almost infinite number of combinations there is certainly a configuration that will help turn your concept into reality. The following pages are ideas, thoughts and suggestions our customers have asked us to model for their space. Take a look and see if any of these designs inspire you as you embark on your next project. If not, let us know. Together, we can come up with something that will most certainly work for you.
