Lounge

Bristol

Bristol delivers perfect proportions, generous arms, and contemporary styling. Its hardwood framing elements and stout construction make it an ideal addition to any lounge.

Lounge

Bristol Flex

Created from the elements of the Bristol Collection, Bristol Flex incorporates a unique and expedient process to recondition any component or fabric cover in minutes without tools or upholstery know-how. Completely renew your seating to reduce the environmental impact and stretch your budget.

Lounge

Collegetown

Generously proportioned for maximum appeal and comfort. The Collegetown collection's simplicity makes it easy to coordinate within any space. Couple its versatility in form with an unmatched, robust frame and your lounge will be instantly transformed into the most desirable destination for collaborating, learning or just hanging out.

Lounge

Collegetown Flex

Everything Collegetown offers plus our exclusive and expedient process to recondition any component or fabric cover at your facility. In just minutes totally renew the Collegetown Flex without any tools or upholstering know-how.

Lounge

Collegetown Tight Seat

Generously proportioned, sleek, and contemporary. Collegetown TS adds an element of ease with its bench style seat cushion. The frame is robust, its style is timeless, and its comfort is unmatched. Predicated on Collegetown, the TS model's clean lines and simplicity make it the perfect solution for active spaces.

Lounge

Emma

Graceful styling combined with ModuForm's hallmark attributes of fine craftsmanship and robust construction. Emma offers the complete package of comfort, beauty, and substance.

Lounge

Joanna

Polished. Joanna is abundant in style, comfort, and strength. Its proportions are impeccable making it a preferred solution for any lounging space.

Lounge

Kensington

The Kensington series combines the styling and comfort of a cozy club chair with ModuForm's hallmark trademarks of fine craftsmanship and enduring construction.

Lounge

Newman

The Newman collection delivers an abundance of character. Its rolled arms, beveled seat cushion and generous back cushion work in concert to provide great panache.

Lounge

Peabody

Wrap yourself in Peabody's uniquely proportioned design and slanted arms for the ultimate combination of chic design and comfort.

Lounge

Salem

The Salem collection offers an abundance of casual comfort sustained by robust craftsmanship and construction.

Lounge

University

Adaptable. Perfect for collaborative spaces, lounging places or tranquil locations. Options abound with shelves, casters, and handles. University is fully flexible to quickly configure and reconfigure into what you need, when you need it.

Lounge

William

Smart. The William collection's robust construction and sophisticated styling make it an ideal solution for spaces requiring comfort, value and flair.

Lounge

Wilmington

Soft and welcoming. Wilmington's heavy-duty constructions and attention to detail brings home-like appeal to commercial grade applications.

Modular Lounge

Chelsea

Contemporary, comfortable and incredibly flexible modular lounge seating. Works in collaborative areas, private spaces and quiet places.

Modular Lounge

Chelsea Jr.

Little on the outside yet tough to the core. Designed to be the optimal modular seating solution for kids in active learning spaces.

Modular Lounge

Climb

Energetic and Studious. From quiet story time to engaging collaborative discussion and everything in between. Climb meets all the demands of active and enthusiastic learning spaces.

Modular Lounge

Connect

Quiet spaces transform into collaborative places. Connect allows for independent study, dining, or group activity. Add privacy screens to create boundaries or minimize disruption. Simple to configure, comfortable to use and easy to integrate into any setting.

Banquette Seat with Privacy Screen

Banquette Seat

Modular Lounge

Dalton

Versatility, flexibility, and adaptability. Creating modular lounging spaces has never been easier. Dalton offers a deep collection of contemporary pieces that operate as one to formulate long-lasting, pleasing, and suitable collaborative spaces.

Cube

Drum Table

Modular Lounge

Julia

Designed for lounge spaces as you see them. Create an almost unlimited number of seating configurations that are simple to change or rearrange on the fly.

Julia Chair | Standard Back

Julia Curved Chair | Low Back

Wood Side

Marco

Marco is design in motion, borrowing from the past and pushing forward with boldness; a variation of 20th century style, updated with a splash of contemporary panache...big cushions, big solid maple components, big comfort, big beautiful purposefulness all bundled up in a surprisingly compact footprint manufactured to ModuForm's uncompromising standards.

Wood Side

Mini Marco

Public spaces demand stylishness. With solid maple arms and a wide selection of textiles, Mini Marco will transform and enhance any visitor space.

Wood Side

Mission

ModuForm's Mission Lounge Seating honors traditional Mission design with strong lines, a deep, rich finish and solid oak components built to uncompromising standards.

Wood Side

Rounder

Durability and longevity for higher traffic areas. ModuFom's Rounder features hardwood "puzzle-cut" upholstery framing with sinuous springs and tie-rods for maximum comfort. Secured to solid red oak, butcher block sides and finished with our unique and exclusive ModuV sealer and topcoat.
