

**BCE3X15**  
15"d x 15"w x 15"h

Bounce offers double-needle stitched seams and “sock upholstery”. The cover can be easily removed for a new one to quickly refresh the look. Bounce is constructed entirely from polyurethane foam. It is pliable, comfortable and incredibly durable. An unlimited selection of fabrics are available to meet your needs. A fun and flexible solution for any lounge, lobby, classroom, library, resource center or public space.
