**Standard Features:**

- ModuMaxx 4" table legs are 14-gauge steel.
- 6" x 6" x 1/4" steel plates are welded to each leg for attachment to tabletop.
- Legs are available with heavy-duty, non-removable glides or floor anchoring plates.
- Legs are finished with abuse resistant, black epoxy powder coating.
- Legs assemble to tops with a minimum of (16) 5/16" x 18" x 1-1/2" button head bolts for metal to metal connection.
- Threaded T-nuts are embedded into the top allowing for secure leg attachment and pull resistance.
- Tops available with heavy-duty, impact resilient vinyl bumper or fused resin edge.
- Available in plain or game top.
