ACTCSS
Starter
24"d x 38"w x 48.5"h

ACTCSA
Adder
24"d x 37"w x 48.5"h

- Optional Shelf Available

Starter & Adder Description

- Starter: Can be used as a free-standing unit or as the first unit in a "run"
- Adder: Used as "add-on" units in a "run"
- Example:
 - For "free-standing" carrel choose a "starter" for as many as you would like – they will not be connected
 - For a "run" of two units or longer, you will need (1) "starter" and as many "adders" you will be connecting together.
 - (1) Starter with (3) Adders would provide (4) units connected together
