The ModuForm 528 Collection: A Perfect Balance of Safety, Comfort, and Durability

Discover the ultimate modular lounge solution with the ModuForm lounge collections. Designed for high-demand environments, these one-piece, seamless lounge pieces offer unparalleled safety and functionality. Crafted with rotationally molded vinyl, the outer shell is up to 10 times thicker than traditional materials, delivering exceptional resistance to punctures and wear. The fluid-repellent surface is easy to clean and sanitize, ensuring a hygienic and low-maintenance solution for your facility.

Engineered with comfort in mind, the orthopedic contours of the Collection promote relaxation and social interaction. The new 18" seat height (528) adds versatility to the design, making it suitable for a variety of users and spaces. Inside, the high-density polyurethane foam core eliminates the need for springs or sharp edges, ensuring maximum safety while maintaining a soft, supportive feel.

With its ligature-resistant design, ModuForm deters lifting, prevents contraband concealment, and withstands even the most challenging environments. Backed by over 45 years of expertise, ModuForm continues to set the standard in durable, cost-effective furniture solutions.

Choose the ModuForm 528 Collection for a lounge experience that redefines safety, comfort, and reliability.
