

FEATURES & BENEFITS

Fully Molded One Piece – No weak points, no seams—just uncompromising durability.

Soft for Comfort & Safety – Gentle support that prioritizes well-being.

Pick and Puncture Proof – Built to withstand aggressive use, minimizing damage risks.

Ligature Resistant – Designed with safety in mind to help prevent self-harm.

High-Density Foam Core – Supportive, resilient, and built to last.

Available in 200mils or 250mils Thickness – Extra durability for high-use environments.

Sealed and Seamless – No crevices, no hiding spots—just hygienic, worry-free design.

Color is Homogeneous Throughout – Scratches and wear don't expose a different color underneath.

Leather Texture – Provides a slip-resistant surface to enhance stability & reduce fall risks.

Molded Riser Feet – Prevent trapping fluid, enhancing hygiene by eliminating liquid buildup.

Easily Clean with Mild Detergents, Steam or Bleach-Based Agents – Designed for effortless sanitation and infection control.

Fire Retardant – Meets strict safety standards to protect both patients and staff.
