MODUMAXX CLUSTER

Game Tables

5003-42R-GHPL
4 Seat Cluster Game Table

ModuMaxx cluster tables are designed to be used in heavy-use, high-traffic, critical environments. 3" diameter, powder coated steel legs are through-bolted to the top and seats with tamper resistant hardware. Heavy-duty, adjustable glides or floor mounting kits are available. High pressure laminate tops with heavy duty bumper edges to meet your requirements. Whether used for dining, day room, visitation, medical or other purposes, ModuMaxx tables have been meticulously engineered and designed to be easy to clean, rugged, and durable. Seats are either stainless steel or melamine resin with molded in threaded inserts for added safety and security.
