**PLEASE NOTE:**

426 Slate Blue and 845 Flannel Gray are used across collections that are manufactured using one of three standardized materials. While we ensure consistency within each material type, slight variations in color may occur between collections due to the differences in these materials. 426 Slate Blue may appear differently between models 50-701, 520, and 5000-20 due to materiality.

Additionally, colors shown in this guide may not perfectly match actual products due to differences in screen resolutions and printing processes. For the most accurate representation, sample chips are available upon request. Please contact Customer Service at 978-345-7942 for more information.
