

FEATURES & BENEFITS

Versatile Footprint

Balanced proportions support use across patient rooms, lounges, and common areas without overcommitting to one layout.

Loose Cushion Comfort

Removable cushions enhance comfort, with integrated retention straps designed to keep cushions in place and discourage removal.

Relaxed, Practical Comfort

Deeper seating profile supports user comfort while maintaining structure for everyday use.

Consistent Across Spaces

Unified design language allows facilities to create a cohesive look while using the same collection in multiple applications.

Premium Hardwood Frame

Stout, furniture-grade laminated hardwood components provide strength and impact resistance for long-term durability in high-use environments.

Interlocking Frame Assembly

Reinforced joinery with commercial-grade adhesive and mechanical fasteners enhances long-term durability and structural stability.

High-Resiliency Foam

Maintains shape and support over time for consistent comfort and reduced breakdown.

Performance Upholstery (Fabric & Coated)

Resists wear, staining, and fluid exposure for long-term durability and cleanability.

No-Sag Support System

Sinuous spring system with reinforced tie rods delivers consistent support and helps prevent sagging over time.

Precision-Stitched Seams

High-strength nylon thread improves seam durability and resists wear in high-use environments.

Purpose-Built for Demanding Environments

Designed to balance durability, comfort, and practical safety considerations.

Armchair

The Colleetown Collection

SPECIFICATIONS

SFCT01
36"d x 37"w x 32"h
Seat Height: 17.5"
Arm Height: 24"
COM: 5.50 yards

Meets CAL TB117-2013
Meets MAS Green low-emissions criteria

FEATURES & BENEFITS

Versatile Footprint

Balanced proportions support use across patient rooms, lounges, and common areas without overcommitting to one layout.

Fixed Seat Construction

Fully integrated seat design eliminates loose cushions, reducing maintenance and preventing removal or tampering in high-use environments.

Relaxed, Practical Comfort

Deeper seating profile supports user comfort while maintaining structure for everyday use.

Consistent Across Spaces

Unified design language allows facilities to create a cohesive look while using the same collection in multiple applications.
